

Eco Mark News

Eco Mark News

The Eco Mark is a voluntary program ran by Japan Environmental Association. Contract fees from licensing companies cover whole budget for our activities. In this "Eco Mark News", the information related to Eco Mark Program such as newly selected Eco Mark product category and proposals for certification criteria is provided on the basis of the "Guidelines for Eco Mark Program Implementation".

JAN. 15, 2009 **No.77**

Establishment of Certification Criteria

Following three certification criteria were established;

1. No.123 "Building Products (Materials for Interior Work) Version2.6"
Category D-3 Free Access Floor [established on Nov.26]
2. No.138 "Building Products (Materials for Supplies) Version1.3"
Category C-1 Materials for Plastering Work [established on Nov.25]
3. No.143 "Shoes Version 1.0" [established on Dec.1]

Partial Revision of Certification Criteria

Following four certification criteria were partially revised on Nov. 25;

1. No.102 "Printing Ink Version2.3"
2. No.112 "Stationery/Office Supplies Version1.9"

Request of Public Comments and WG member candidates

The product category "House (tentative name)" is open to public comments for development of draft certification criteria and seeks WG member candidates.
